THE TOFIL AWARDS — INSTITUTIONALIZING PUBLIC RECOGNITION FOR OUTSTANDING FILIPINO ACHIEVEMENT

The Outstanding Filipino (TOFIL) Award was conceived by the JCI Senate Philippines in 1988, to institutionalize public recognition of men and women, 41 years age and over, whose exemplary achievements are worthy of emulation.

The JCI Senate Philippines believes that there are many men and women aged 41 and over who deserve recognition for their contributions to society, and who should have qualified to the TOYM except that they are beyond the age limit rule governing the TOYM award. It enlisted the support of ANSA Foundation, Inc. in an endeavor that would give due recognition to these people. Thus, the TOFIL Awards was born.

The JCI Senate Philippines is an organization of Junior Chamber International (JCI) members who, in recognition of their outstanding achievements and contribution to the JCI movement, have awarded lifetime membership as JCI Senators.

The ANSA Foundation, Inc. (AFI) was formed by AGI in 2002, in cooperation with national scientists from the University of the Philippines— Los Baños (UPLB) to promote the development of the Philippine livestock industry through modern and scientific techniques of breeding. AFI is focused on research and development, training and advancement of stakeholders in the domestic cattle industry.
